

FERN

3 NIELD AVENUE, BALGOWLAH

Schedule of Finishes & Inclusions

Natural stone, warm timber and soft, layered whites.

Each residence at Fern is finished in a calm, coastal palette – honed Taj Mahal quartzite, herringbone ash floors, hand-applied plaster and brushed nickel detailing – chosen to feel relaxed and enduring. The following pages set out the finishes and inclusions throughout both homes.

Taj Mahal Quartzite
Honed natural stone

Engineered Ash
Herringbone, Arctic Mist

Soft White
Walls & ceilings

Venetian Plaster
Ivory stucco

Microcement

PLEASE NOTE

This schedule is a general guide to the finishes and inclusions intended for both residences and is provided for information only. It does not form part of any contract of sale unless expressly included. Images are indicative and natural materials such as stone, timber and plaster will vary in colour, veining and texture. The vendor reserves the right to substitute any item with one of equal or better quality where a product is unavailable or a design change is required. Purchasers should rely on their own enquiries and the contract documents.
